

Friends, Supporters, and Members of Roots of Motive Power,

As our communities continue to deal with the expanding impact of the Coronavirus (COVID-19), it has been decided to suspend all Roots public events until at least the end of summer, as directed by our Governor, Gavin Newsom, to protect the health and safety of our attendees and volunteers. We recognize that this situation is constantly changing and evolving, and our Board of Directors and I are continually following the CDC, as well as State and County guidelines, to be as up-to-date as possible on the topic of COVID-19.

I still have hopes that the stars may align, and that it will be safe to hold our Annual Roots of Motive Power Festival, and to make our pilgrimage to San Francisco's Center for the Book Steam Roller Printing Festival in the fall, as well as to host our Holiday Express this winter. Please stay tuned to our website and our Facebook page for any updates or changes.

We encourage everyone to follow the advice of the CDC to slow the spread of COVID-19.

Stay well, and thank you for all you do!

Troy M. James  
President, Roots of Motive Power Inc.
